

Make Millennium Development Goals a success By 2015

Cywe.org is starting a movement to achieve eight Millennium Development Goals with the cooperation of the people of the world. Please take part in this initiatives to make the world a better place to live in.

Be aware

MGD goals cannot be achieved without the active cooperation of the people of the world. Organizations and businesses can join to make this movement successful.

Come and join the UN- MGD movement and create change

Think, work and contribute to achieve eight MGD goals in your locality, country and the world. Tell us your story, efforts and initiatives in your area, country in any of these eight MGDs areas, we will publish it in our website free to inspire others.

- 1 eradicate extreme poverty and hunger
- 2 achieve universal primary education
- 3 promote gender equality and empower women
- 4 reduce child mortality
- 5 improve maternal health
- 6 combat hiv/aids, malaria, and other diseases
- 7 ensure environmental sustainability
- 8 develop a global partnership for development.
